## OUR CHOICE By Jean Ayers

All Hail the '67 graduating class
At the end of high school: We finally passed!
Only one step in our progress is through,
Now what of the graduate, what will he do?

Maybe he'll stand in the welfare line— Or go to college to improve his mind? He'll spend long hours composing dull themes Or flunking toilsome math tests 'til it seems—

He'll be torn from his distinguished fraternity,
Forced to wade through swamps, and fight snipers in trees.
The Selective Service of dear of Uncle Sam
Will have him fighting the Viet Cong in Viet Nam.

But he'll burn ins card, and dodge the draft, And might even manage a D in math. He'll pull through college, then he'll be free To "Riot on Sunset" for LSD.

Need we all be as this disreputable drip
With his 'acid parties' and colorful 'trips'?
Life gives us a free choice; our own we must bear.
Whether we gain fame and fortune or live on welfare.

To succeed, we must take a stronger hold-And stick to our courses, keep sight of our goals,
Withstand temptation, holdfast to what's right,
Be assets to America, increasing its might.

There's so little done, and so much to do--With heads up, eyes forward, may the Eagles come through.

#### COACH MASON:

This letter is to express our appreciation to you for all the time and hard work you have given to us this year. At times it looked as if we didn't appreciate your expended energy; we hope this letter will make up for those times.

Our season, as we all know, we not a good one in terms of wins and losses. It was a long, hard season, and it taught us never to lose pride in ourselves. We fought hard, but the team was young. This past year has given it the experience it needs.

This letter is not intended to make excuses for the mistakes we made during the season. We know that it will do no good to make excuses for these. We have profited from them, and next year we will be able to put forth a bigger effort to win because we understand the mistakes we made this season.

We would also like to thank Mrs. Mason for all her help and support this year.

We hope this letter has clearly expressed the appreciation of every girl on the basketball team this year. We will end it with a promise to do the very best we can for our school and for you in the coming seleson.
